ALL-WHEEL DRIVE

2022

SUBARU

a new generation of exhilaration

Iconic. Legendary. Spine tingling.
The all-new Subaru WRX is ready
to usher in a new generation of
exhilaration, one of pure passion
and thrilling performance.

The Subaru WRX has always been more than a car. Rally-inspired with pure performance DNA, the Subaru WRX has graced podiums, bedroom walls and screens for 30 years. Now a new incarnation transcends the legend. Equal parts performance machine and cultural icon, the all-new All-Wheel Drive Subaru WRX builds on this unparalleled heritage to deliver the next generation of desire and introduces a powerfully practical new stablemate. The all-new All-Wheel Drive Subaru WRX Sportswagon exudes WRX character, to deliver a sublime fusion of Sedan performance and Sportswagon flexibility.

The new rally-bred All-Wheel Drive Subaru WRX range is unique, formidable and uncompromising. With the rumble of a new 2.4-litre turbocharged Boxer engine, muscular stance and new styling, the scene is set for a new era of exhilaration.

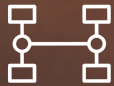

Subaru WRX AWD RS & WRX Sportswagon AWD tS

raw power accelerated

W R X. No three letters
stir the same desire. And
no Subaru generates the
some type of fandom.
So for the lovers of
exhilaration, this one's
for you.

Symmetrical AWD

2.4L Turbocharged
Boxer Engine

In true Subaru WRX fashion, power is not just about spine-tlingling moments. It's about restraint, control and the pursuit of the ultimate drive. Enter the evocative combination of the responsive new 2.4-litre turbocharged Boxer engine – and its menacing rumble.

Paired to formidable effect with the choice of a thrilling 6-speed manual transmission¹ or the Subaru Performance Transmission. Designed for driving enthusiasts, the Subaru Performance Transmission serves up true sports car acceleration and efficiency – with the powerful combination of the Sport Lineartronic[®] gearbox, Variable Torque Distribution and Sports Shifting Control. The result is a 'hairs on the back of your neck' raising, pulse-racing drive worthy of the WRX name.

An unadulterated celebration of engineering prowess, the All-Wheel Drive Subaru WRX is underpinned by the revolutionary Subaru Global Platform and iconic Symmetrical All-Wheel Drive. Unrivalled driver control continues with the distinctive 3-mode Subaru Intelligent Drive (SI-Drive),² and Drive Mode Select³ on selected variants, which give the driver integrated control over key vehicle systems. This powerful combination delivers driver agility and control, with tailored steering response characteristics, dynamic handling and exhilarating torque.

1. 6-speed manual transmission on Subaru WRX AWD and WRX AWD RS only. 2. SI-Drive not available on Subaru WRX AWD manual and WRX AWD RS manual. 3. Drive Mode Select only available on Subaru WRX AWD tS and WRX Sportswagon AWD tS.

Subaru WRX Sportswagon AWD tS

animal magnetism

Born of a legend and forged in the dust, mud and snow of rally competition, the All-Wheel Drive Subaru WRX reflects pure performance design.

From the world stage, to city streets, Subaru WRX exudes animal magnetism at every turn. Each curve, contour, gap and angle has been honed and trimmed to the millimetre. Accentuated by the iconic bonnet scoop, the redesigned silhouette is more distinctive and athletic. Seductive LED 'switchback' headlights slice through the night, offsetting the striking grille and distinctive, sporty wheels. Bolstered, more aggressive design cues command respect and muscular wheel arches and side fenders clinch the motor sport aesthetic.

Bold, yet restrained. Muscular, yet lean. The All-Wheel Drive Subaru WRX design goes beyond looks, adding agility, poise and engineered aerodynamic performance. All drawing you in with a single purpose, the one you've been waiting for: a desire to experience the most exhilarating drive of your life.

dialled to 11

Infotainment in the all-new All-Wheel Drive Subaru WRX has been dialled up to 11 – literally. With technology that is more than a match for its powerful performance, Subaru WRX embraces entertainment and connectivity like never before.

Advanced all-inclusive kit includes a seriously sophisticated high-tech infotainment unit – with a 11.6" tablet-like infotainment touchscreen. Never straying far from its roots, Subaru WRX lights up your world with electroluminescent gauges, Sports instrument cluster with Multi-Information Display unit and metallic sports pedals. Sink into re-designed body-hugging sports bucket seats, with powered and heated front seats¹ on selected variants and fit more in with the supersized cargo space of the Subaru WRX Sportswagon. Every single detail is a triumph of Subaru engineering and tech. Potent, taut and emphatic.

license for thrills

Built on three decades of innovation, the ascent from rally champion to street hero is complete with the all-new Symmetrical All-Wheel Drive Subaru WRX.

Game changing safety and technology to help anticipate what's around the next bend, underpin supreme driving confidence.

The Subaru WRX gives you a license for thrills, with the cutting-edge safety technology of the new generation EyeSight® Driver Assist System¹ on selected variants. The updated system adds a smart Lane Centring Function and Speed Sign Recognition with Intelligent Speed Limiter, plus a wider camera view to better detect vehicles, cyclists and pedestrians.

Advanced Subaru WRX safety tech includes Subaru's Vision Assist and Driver Monitoring System – Driver Focus² (DMS) on selected variants, plus a new front passenger seat cushion SRS³ airbag to prevent forward body movement for added peace of mind.

1. EyeSight® Driver Assist system available on Sport Lineartronic® transmission variants only. 2. Driver Monitoring System (DMS) not available on Subaru WRX AWD manual and WRX AWD Sport Lineartronic® transmissions. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. 3. SRS: Supplemental Restraint System. Effective when used in conjunction with seat belts.

heart and soul

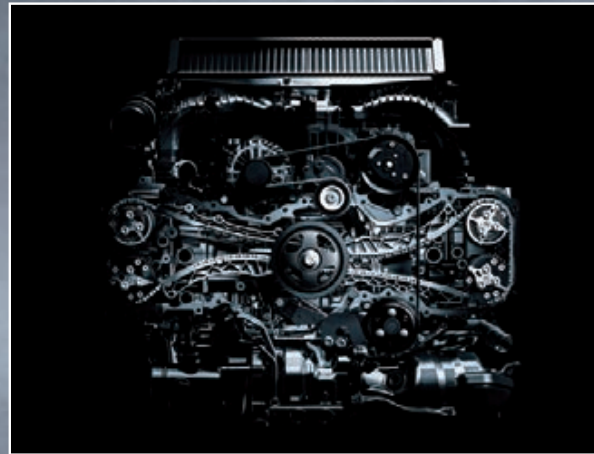

When fine-tuning every element of Subaru WRX's dynamic attitude, the creators were unanimous that some things remained sacrosanct.

Symmetrical AWD

Boxer Engine

Horizontally-opposed Boxer engine

The heart and soul of Subaru WRX owes its vitality to the intersection of two irreplaceable forces – the iconic 2.4-litre turbocharged horizontally-opposed Boxer engine and Symmetrical All-Wheel Drive system. Designed to sit lower and flatter in the engine bay than traditional engines, Boxer's unique design delivers less noise and vibration to the cabin, while the low centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru WRX's symmetrical drivetrain, this configuration delivers innate balance from the ground up while driving engine power to all four wheels. With simultaneous power distribution Subaru WRX boasts twice the grip capacity, compared to conventional vehicles, resulting in better balance, superior handling confidence on slick city streets and outstanding driver enjoyment.

 Safety and performance are built into the very core of Subaru WRX, learn more about the advanced engineering at www.subaru.com.au/safety-active

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

towards zero
fatal road accidents by 2030¹

towards zero fatal road accidents by 2030¹

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet – working towards zero fatal road accidents in a Subaru vehicle by the year 2030¹. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru WRX aims to provide inherent safety and peace of mind, so you can experience a new generation of exhilaration.

 Road user safety is expressed in the design of countless Subaru innovations www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html.

The latest generation EyeSight® Driver Assist system¹, with enhanced functionality and collision avoidance features, enhances safety on Subaru WRX variants featuring a Sport Lineartronic® transmission.

EyeSight® Driver Assist¹

second pair of eyes

The latest generation EyeSight® Driver Assist system is a world-renowned preventative safety system that is now even more attentive. Operating like an ever-watchful second pair of eyes - to provide warnings, plus braking and steering intervention that is designed to help reduce driver burden, prevent accidents and save lives.

New, enhanced features include Lane Centring Function that works with Adaptive Cruise Control to provide assistance and help maintain the driving position in the detected lane. Speed Sign Recognition which displays the detected speed limit for the driver, while the Intelligent Speed Limiter can automatically set the speed limiter to the detected limit. Other new features include Autonomous Emergency Steering and Emergency Lane Keep Assist.

Other primary functions include - Lane Departure Warning, Pre-Collision Braking System, Pre-Collision Throttle Management, Adaptive Cruise Control, Lead Vehicle Start Alert, Lane Departure Prevention and Lane Sway Warning.

You'll look at safety with new eyes when you learn more about Subaru's advancements at www.subaru.com.au/safety-preventative

1. Subaru EyeSight® Driver Assist is equipped to all Subaru WRX variants featuring a Sport Lineartronic® transmission.

A smart driving companion to have on your side, Subaru's Vision Assist uses radar technology and embedded cameras on selected variants¹ to detect vehicles and obstacles you can't see. Subaru's Vision Assist is fitted as standard and when combined with EyeSight[®] Driver Assist technology² on selected variants it empowers drivers with a sixth sense to support preventative safety.

Vision Assist

EyeSight[®] Driver Assist²

all knowing, all seeing

Subaru's Vision Assist gives drivers a greater awareness of the world around them. Blind Spot Monitor uses rear sensors to make lane changes safer, by warning of vehicles detected in the blind spot. The Front View Monitor¹, on selected variants, uses a front grille mounted camera to capture images of the blind area immediately in front of the vehicle to help avoid damage when parking. While Side View Monitor¹, on selected variants, uses a camera mounted to the passenger side door mirror to assist with perfect parallel parking.

The Rear Cross Traffic Alert warns the driver when another car is detected approaching whilst the driver is reversing out of a car space. Reverse Automatic Braking³, on selected variants, triggers a warning to alert the driver of a detected obstacle and can apply the brakes if the driver doesn't react first. When changing lanes, Lane Change Assist radar sensors are designed to detect fast approaching vehicles and warn the driver of their presence.

 Read more about the way Subaru's Vision Assist innovations are keeping Subaru owners safe at www.subaru.com.au/safety-preventative

1. Front View Monitor and Side View Monitor not available on Subaru WRX AWD manual or Sport Lineartronic[®] and WRX Sportswagon AWD. 2. Subaru EyeSight[®] Driver Assist is equipped to all Subaru WRX variants featuring a Sport Lineartronic[®] transmission only. 3. Reverse Automatic Braking is equipped to all Subaru WRX variants featuring a Sport Lineartronic[®] transmission only.

Subaru tackles driver distraction and fatigue with a Driver Monitoring System – Driver Focus (DMS)¹ on select variants. This innovative system constantly monitors the driver's attention to help reduce the chance of accidents.

Driver Monitoring System¹

always alert

No matter how exhilarating your drive, Subaru recognises that at times the driver may be distracted. Which is why DMS¹ has been developed to offer another layer of safety, coupled with personalised driver convenience.

The advanced DMS¹ uses near infrared LEDs and a camera to recognise when the driver's attention is waning or if they are showing signs of drowsiness. An alert will then warn the driver, reminding them to refocus on the road ahead.

The system's intelligent facial recognition can identify five separate drivers and then automatically personalise the cabin to their preferences – adjusting the climate control and Multi-Information Display (MID) unit screen. Selected variants² also automatically adjust the driver's seat and door mirror position. While the Subaru WRX AWD tS and WRX Sportswagon AWD tS have the added feature of Drive Mode Select memory function.

Learn how the DMS watches out for signs of driver distraction at www.subaru.com.au/safety-preventative

1. Driver Monitoring System (DMS) not available on Subaru WRX AWD manual and WRX AWD Sport Lineartronic[®] transmissions. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. 2. Auto door mirror adjustment and Auto driver seat adjustment only available on Subaru WRX AWD RS Sport Lineartronic[®], WRX AWD tS Sport Lineartronic[®], WRX Sportswagon AWD GT and WRX Sportswagon AWD tS.

peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero fatal road accidents in a Subaru vehicle by the year 2030¹ represents Subaru's ambitious future target, decades of astute observation, structural development and design research has informed the remarkable safety advances built into the Subaru WRX.

The SGP and ring-shaped passenger safety cell absorb and direct impact force around the cabin, rather than through it.

An overwhelming feeling of protection is underpinned by Subaru WRX's carefully engineered body structure and Subaru Global Platform (SGP), including the ring-shaped passenger safety cell. The ring-shaped passenger safety cell that cocoons occupants has been designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the symmetrical layout of the All-Wheel Drive system and horizontally-opposed Boxer engine is designed to allow the engine to 'submarine' under the floor during a severe frontal collision – protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of eight SRS² airbags in the Subaru WRX, including the front passenger seat cushion airbag, can help reduce the possibility of serious injury in the event of a serious accident.

Discover more reasons why Subaru WRX gives you peace of mind protection at www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html. 2. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

Designated crumple zones direct impact energy away from the passenger safety cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

augment your reality

The powerfully seductive All-Wheel Drive Subaru WRX is sophisticated and aggressively bold. Bring its physicality to the fore with purpose-built accessories individually selected to bolster its muscular profile.

From individual performance and styling accessories that reflect the raw rally origins of Subaru WRX, to bespoke protection accessories and co-ordinated accessory packs.

the Subaru WRX range at a glance

The new rally-bred All-Wheel Drive Subaru WRX range is unique, formidable and uncompromising. See the following pages for the full list of specifications and standard features or visit www.subaru.com.au/wrx

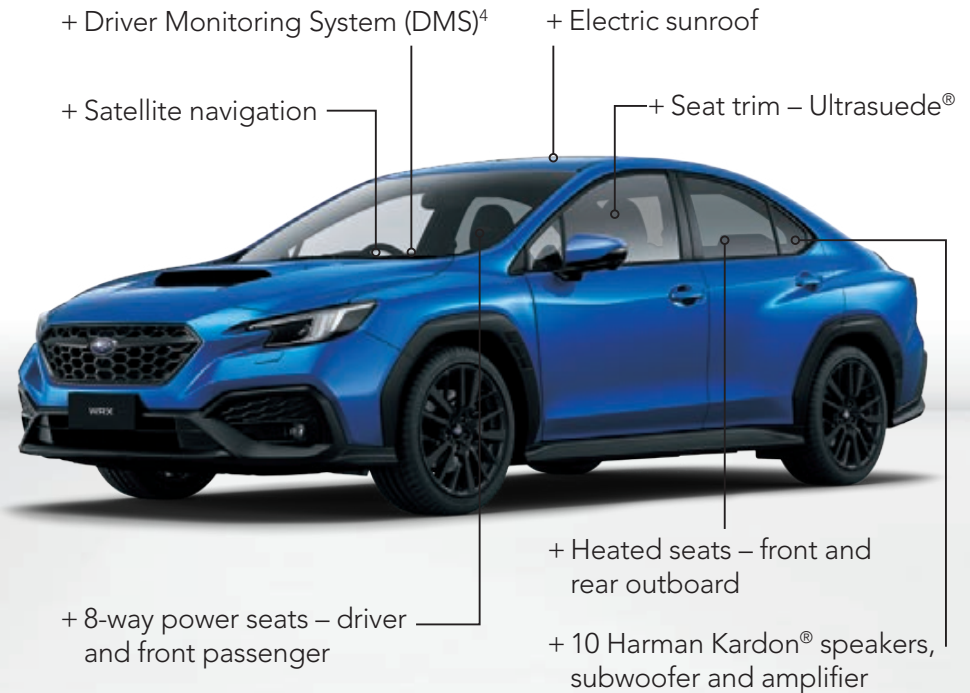

Standard across the range

- + Symmetrical All-Wheel Drive
- + 2.4-litre turbocharged horizontally-opposed direct injection Boxer 4-cylinder, petrol engine
- + Vehicle Dynamics Control system
- + Subaru's Vision Assist
- + 11.6" tablet-like infotainment screen – LCD touchscreen and Apple CarPlay® + Android Auto™ connectivity¹
- + SRS² airbags – dual front, dual front side, dual curtain, driver's knee and front passenger seat cushion

SUBARU WRX AWD (6-SPEED MANUAL)

SUBARU WRX AWD RS (6-SPEED MANUAL)

1. Compatible Apple® or Android™ device required. 2. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

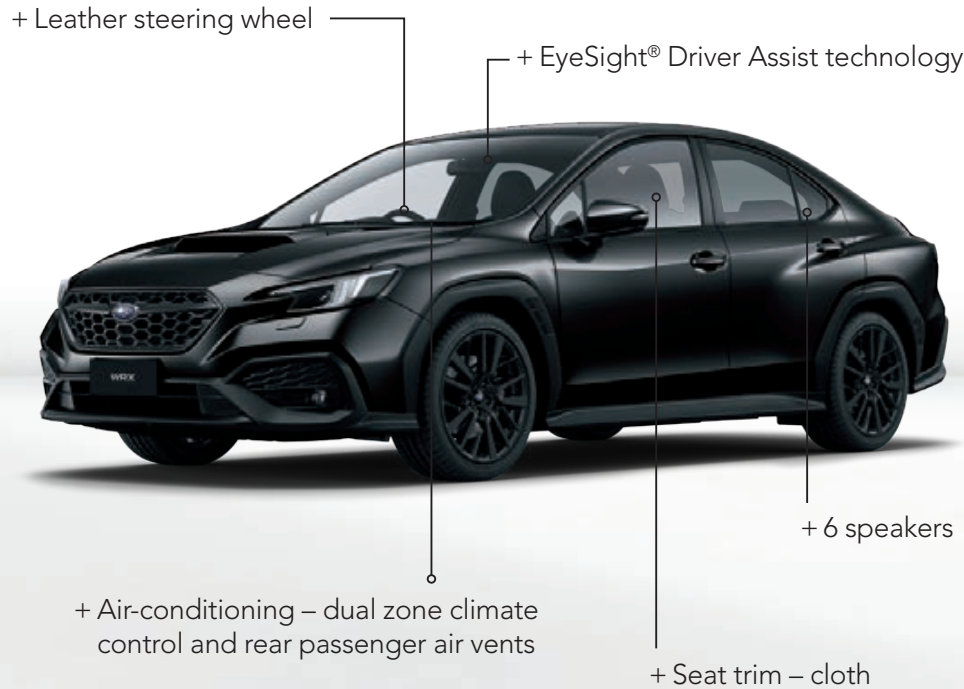

- + Rear view reverse camera
- + *Bluetooth*^{®3} wireless technology
- + Headlights – Steering Responsive Headlights (SRH), self-levelling LED with auto off and dusk-sensing
- + Immobiliser security system

- + Smart key and push-start ignition
- + Tyre Pressure Monitoring System
- + Front and rear stabiliser
- + Power-folding door mirrors
- + 18" alloy wheels

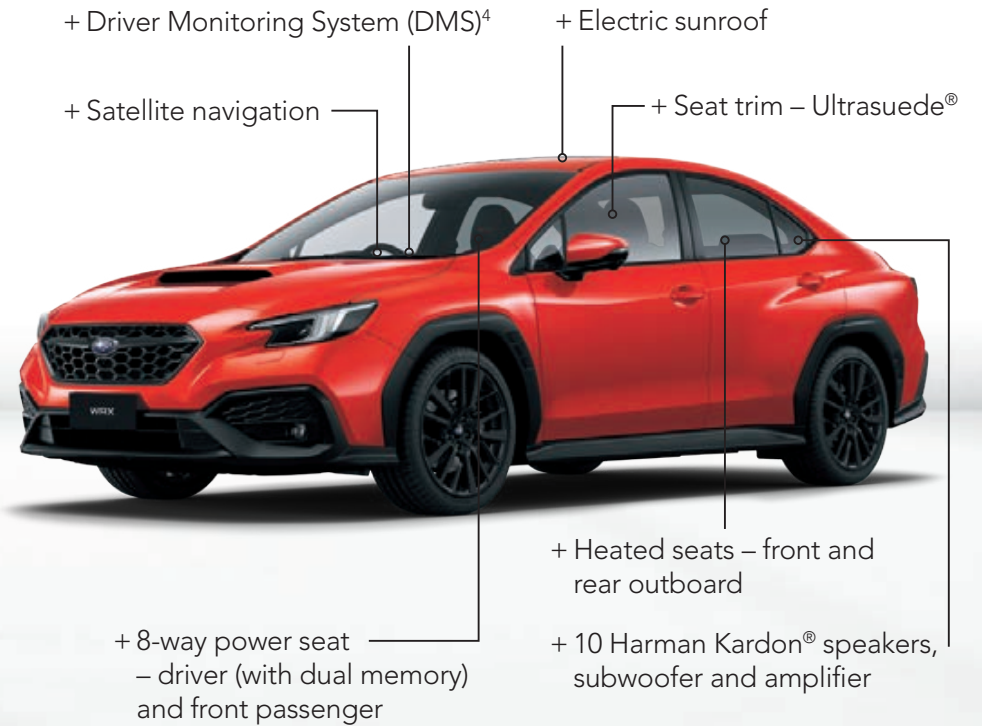

- + Sports bucket seats – driver and front passenger
- + Rear spoiler
- + Shark fin antenna
- + Side sill skirts

- + Sports pedals
- + Rain-sensing front windscreen wipers
- + Voice command recognition

1. Model year 2022 specifications and features. Subaru (Aust) Pty Limited reserves the right to change mechanical specification and equipment levels without notice. 2. Bluetooth[®] is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the Bluetooth[®] wireless technology specification of individual device. 3. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 5. Every eligible Model Year 2022 onward Subaru WRX and WRX Sportswagon comes with Subaru's 5 Year/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions, visit www.subaru.com.au/service/pricing/capped-price-servicing. 6. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

SUBARU NEW CAR WARRANTY – 5 YEAR/UNLIMITED KILOMETRES¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit www.subaru.com.au/owners/warranty or ask your Subaru Retailer for more information.

SUBARU CAPPED PRICE SERVICING²

With our 5 Year/75,000 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: www.subaru.com.au/service/pricing/capped-price-servicing

1-MONTH HEALTH CHECK AND CHAT

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

SUBARU'S MAP UPDATES³

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 2. Every eligible Model Year 2022 onward Subaru WRX comes with Subaru's 5 Year/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on 2022 Subaru WRX models purchased new with the factory line fit Gen4.0 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/servicing/subaru-map-update-program.

SUBARU ROADSIDE ASSISTANCE¹

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

SUBARU CERTIFIED COLLISION REPAIRER NETWORK²

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru WRX accessories visit www.subaru.com.au/wrx/accessories. For more information on Genuine Subaru Accessories, visit www.subaru.com.au/accessories-information.

SUBARU INSURANCE³

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 120-point quality inspection giving you peace of mind – from participating Subaru Certified Used Car Retailers.

AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 months/15,000kms service intervals and 5 Year/Unlimited Km Warranty⁴. The Subaru WRX is not only affordable to run but allows you the freedom to enjoy where the fun takes you.

SUBARU FINANCIAL SERVICES⁵

When you fall in love and know it's the one, you don't want to wait. So why should you?

Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program. 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit www.subaru.com.au/retailers to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 5. Finance to approved applicants only. Credit criteria, fees, charges and T&Cs apply. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
